## “4 SHOTS!” – DEBUT EP OUT NOW

What sets Collateral apart from the rest of the new bands is their combination of electric and acoustic guitar set against a big drum sound and throbbing bass guitar. They are loud, rockin’ and melodic. You can’t take your eyes off them.

Ever since **Collateral** burst on to the music scene earlier this year, they have attracted attention from venues, festivals, press, and of course, rock music lovers everywhere. **Collateral** fit neatly into the current NWOCR with their ‘Rock Anthems’ reminiscent of early Aerosmith, Bon Jovi, Little Angels, Thunder, Skid Row and Tyketto.

The band’s debut EP ‘**4 Shots!**’ was released on **Friday 23<sup>rd</sup> November** via **Roulette Records**. The E.P. features the new single ‘**Midnight Queen**’ plus three other tracks.

This year they played **Hard Rock Hell’s** private VIP party and the reaction was off the hook.

The **4 Shots!** E.P. was recorded and mixed by **Sean Kenny** at **Ten 21 Studios** and mastered by Grammy nominee **Robin Shmittz** of 24-96 mastering in Germany.

Ripped jeans, cowboy boots, long hair and plenty of eye-liner, **Collateral** are a new generation stadium-driven rock’n’roll. When they first started out, they were known as the *Angelo Tristan Band*, with frontman Angelo and bass player Jack forming the nucleus of the band. Since then, almost 5 years ago, they have worked tirelessly to grow their music, fanbase and their profile.

In true rock and roll style, it’s been a long ride, but their sheer grit and determination have seen them overcome obstacles and go from strength to strength. With the recent addition of new members **Todd Winger** (guitar) and **Ben Atkinson** (drums) and with the release of their debut single ‘**Midnight Queen**’ and ‘**4 Shots!**’ E.P., the boys have stepped up their game and are now attracting the attention they deserve.

### Line-Up
