Last week Glenn Hughes needed to re-schedule dates of his "**GLENN HUGHES PERFORMS CLASSIC DEEP PURPLE LIVE**" May 2019 UK Tour due to health issues. The former bassist and singer of **Deep Purple**, known to millions as the 'Voice of Rock', **Rock and Roll Hall of Fame** inductee, and the current front man for rock super group **Black Country Communion**, is pleased to also announce a new set of dates in November alongside the re-scheduled ones.

The re-scheduled dates include **Salisbury, Norwich, Holmfirth** and **Birmingham** with additional dates in **Bexhill, Cambridge, Cheltenham, Aberdeen, Inverness** and **Middlesbrough**.

"I'm excited to return to touring "**Classic Deep Purple Live**" in the UK in November 2019," says Glenn. "I first toured **Classic Deep Purple Live** in Australia and New Zealand last year and it went down a storm. We are looking forward for a second round in the UK in November."

Deep Purple took a quantum leap when the then 20-year-old **Glenn Hughes** was seconded from British funk-rock outfit **Trapeze** in mid-1973. As bassist and co-vocalist (with David Coverdale), he

helped steer the legendary rock group in the progressive direction of **Burn** (1974), **Stormbringer** (1974) and **Come Taste the Band** (1975), while touring the world for three years.

His solo debut album **Play Me Out** (1977) preceded later albums with **Black Sabbath** and **Gary Moore**. The last 25 years have seen a rush of solo work and collaborations for the 'Voice of Rock' including mega hit **America: What Time Is Love?** with the KLF in 1992, and four critically acclaimed top selling studio albums released between 2010 and 2018 with rock super group **Black Country Communion** featuring **Joe Bonamassa, Jason Bonham** and **Derek Sherinian**. Glenn was also inducted into the Rock and Roll Hall of Fame in 2016 along with other members of Deep Purple.

Taking a page and inspiration from the Blackmore/Coverdale/Hughes/Lord/Paice Deep Purple MK 3 **California Jam** and **Made in Europe** era, the upcoming live show features the Purple classics **Burn**,

Stormbringer*, *Might Just Take Your Life* and *Mistreated, amongst others, plus tracks previously never performed live by the original MK 3 line-up.

Classic material from the **Tommy Bolin** MK 4 period is also featured, including ***Getting' Tighter*** – Hughes' funk rock extravaganza extraordinaire, plus the brooding **Coverdale /Hughes** masterpiece ***You Keep On Moving***.

Deep Purple MK 2 hits ***Highway Star*** and ***Smoke on the Water*** are also featured, because, as Glenn points out, "I did play both these numbers during my time with Purple and they were mainstays of the live set when I was in the band. As my manager pointed out to me, the first time ***Smoke on The Water*** was ever played live at Madison Square Garden was when David and I were in the band in 1974. I love singing ***Highway Star***, too."

Continues Glenn, "A few years back, I cut a barnstorming version of ***Highway Star*** for the **Machine Head** anniversary tribute album with my good friends **Steve Vai** and **Chad Smith**. I'm not playing anything on the forthcoming tour that I didn't either play live or record in the studio with Purple."

Before the **GLENN HUGHES PERFORMS CLASSIC DEEP PURPLE LIVE World Tour**, the last time Glenn has performed a show solely of Deep Purple material was his last show with Purple at the Liverpool Empire on March 15th, 1976. Not one wallow in nostalgia, hence his extensive and varied career post-Purple, Glenn feels the time is right to acknowledge and pay homage to his past, his musical legacy, and, most importantly, to one of rock and roll's most acclaimed, influential and successful rock bands.
