THE BEST IN BREAKING BLUES AND ROCK A BRIEF HISTORY

Roadstars is the name of a UK touring platform originally launched by the **Gig Cartel** in 2016. The initial idea stemmed from showcasing the crème de la cream of best in new rock and blues bands, by touring them together to create a great night's worth of entertainment.

The first **Roadstars** tour took place in November 2016 and featured **SIMO**, **Aaron Keylock** and **Federal Charm**.
