

THE NEW ROSES

ANNOUNCE SHOW AT THE LONDON BORDERLINE
ON THURSDAY 28 NOVEMBER 2019

PART OF THEIR 'NOTHING BUT WILD' TOUR 2019

After an intense touring schedule over the last several years **THE NEW ROSES** achieved something that very few German rock acts ever accomplish international success. They played over **300 club and festivals shows** all over Europe with **HELLFEST (FR), SWEDEN ROCK (SE); MASTERS OF ROCK (CZ), HARDROCK HELL (UK)** and the **UEFA CHAMPIONS LEAGUE FESTIVAL** to name a few. They will be back in the UK this year and will play the **London Borderline** on **Thursday 28th November 2019** as part of their '**NOTHING BUT WILD**' Tour 2019.

In November 2018, **THE NEW ROSES** started their first US live shows. **THE NEW ROSES** were selected to be the first German band ever to play on **THE KISS KRUISE**, which lead them from Florida all the way to the Bahamas and back.

THE NEW ROSES are the epitome of '**Blue Collar Working Class Rock 'n' Roll Music**', which is represented in their lyrics and manifests itself in an incredible connection to their fans. The unique sound was created through several diverse

influences from Classic and Hard rock, Country and Blues, which makes them the premier stadium rock'n'roll band out there.

Their song 'Without a Trace' was picked for the soundtrack of the US series '**Sons Of Anarchy**' and the series' trailer campaign in Germany.

With their two albums 'Dead Man's Voice' (2016) and 'One More For The Road' (2017) **THE NEW ROSES** reached the **TOP20** of the **German Album Charts** and received international praise from top critics.

The songs '**Life Ain't Easy**', '**Every Wild Heart**' and '**One More For The Road**' got over **7000 plays** on German Rock Radio since August 2017 and are now an inherent part in their playlists.

THE NEW ROSES – BIOGRAPHY

THE NEW ROSES from the beautiful German region of Rheingau are one of the most exciting and successful new rock acts from Germany.

Their song 'Without A Trace' was featured on the soundtrack of the US cult-series 'SONS OF ANARCHY' and was selected as the official song for the German DVD trailer campaign.

Musically THE NEW ROSES are explosive like TNT. They fit in the same pocket as Guns N' Roses, AC/DC, Kid Rock, Aerosmith, Metallica, or The Black Crowes, but with their own unique style.

Over the last years, their fan base has grown constantly as they've toured relentlessly throughout GAS, France and Spain. In 2015 alone, the band performed over 80 concerts! Highlights in 2015 included performances at the UEFA CHAMPIONS FESTIVAL in Berlin, a headliner show at the HAMBURG HARLEY DAYS with approximately 500.000 visitors, SWISS HARLEY DAYS, LOVE RIDE FESTIVAL (CH) and lots of special guest shows with ACCEPT and MOLLY HATCHET.

In February 2015, THE NEW ROSES signed an international record deal with NAPALM RECORDS (Universal). The album 'Dead Man's Voice' was released in Feb 2016 and entered the Official German Album Top 100 Sales Charts at #36.

The album reviews are slamming. Germany's biggest rock-magazine METAL HAMMER wrote: 'THE NEW ROSES are a complete exceptional phenomena in the German rock scene' - EMP (Germany's biggest rock mail order) wrote: 'THE NEW ROSES accomplished it with their thrilling sound to bring stadium rock back to the show stage', CLASSIC ROCK MAGAZINE: 'Forceful rock-hymns consisting of passion, driving guitars and a unique voice make the new THE NEW ROSES album a real rock jewel', the biggest rock magazine from France, ROCK HARD FRANCE, wrote: 'THE NEW ROSES are the best hard rock band of today!' and chose 'Dead Man's Voice' as album of the month!

In 2016, THE NEW ROSES performed over 100 shows in Europe including support slots for THE DEAD DASIES, TREMONTI, SAXON, and Y&T, in addition to performances on huge festival stages in Germany and France.

The continuous touring has turned THE NEW ROSES into a solid rock act in Germany and has put them on their way to conquer new territories like France, Spain, Switzerland and Austria. In 2017, many new countries were added to their tour schedule, such as UK, Czech Republic, the Netherlands or even Afghanistan, where THE NEW ROSES played two shows for the international troops of operation 'Resolute Support' in 'Camp Marmal', Mazar-i Sharif. Their performances at Hellfest Open Air in France and Hard Rock Hell Festival in the UK have further solidified their mainstay in the European rock scene.

In 2017, THE NEW ROSES reached their next milestone with the worldwide release of their new album 'One More For The Road' via Napalm Records on 25th of August, which hit the Official German Album Top 20 Sales Charts and reached more than 3600 spins on German radio stations.

The following 'One More For The Road Tour' lead the band through Germany, Austria and Switzerland and became the most successful tour in the band's history so far, with sold out shows in Munich, Hamburg, Berlin, Cologne and Mannheim.

In 2018 THE NEW ROSES toured all over Europe. Beside headliner shows in Germany, France and UK, THE NEW ROSES played a 4-weeks European tour as special guests for THE DEAD DAISIES in April/May, before hitting national and international festival stages like SWEDEN ROCK, OPEN ROAD FEST (HU), MASTERS OF ROCK (CZ), MATAPALAZ, ROCK OF AGES, ROCK HARD FESTIVAL, WERNER DAS RENNEN, etc. in summer.

THE NEW ROSES were part of KISS KRUISE 8. THE NEW ROSES were the only European act being confirmed for KISS KRUISE 8.

THE NEW ROSES played their first UK Headliner Tour (11 Shows) at the end of November and December 2018.
