The Quireboys have re-scheduled their tour December 2020 dates of their **A Bit Of What You Fancy** UK Tour to June 2021. All tickets remain valid. The tour will celebrate the re-release of **A Bit Of What You Fancy** –celebrating its 30th Anniversary. Tickets are on sale via www.thegigcartel.com.

Australian beer drinking rock n roll warriors **MASSIVE**, who are no strangers to the UK music scene, are returning as tour support for the Quireboys. The band are on the road promoting their 3rd studio album **Rebuild Destroy** out now through Off Yer Rocka Recordings.

The re-scheduled dates are **Bristol to Friday 4th June, Nottingham to Saturday 5th June, Oxford to Friday 18th June and Southend to Saturday 19th June.**

To mark the 30th Anniversary of **A Bit Of What You Fancy**, the Quireboys are currently re-recording their iconic debut album with their current Gypsy Rock & Roll sound.

Released on Friday 1st July, the album is available on vinyl and CD both on limited edition runs. The CD includes bonus live tracks. Order the album here –

"A Bit of What You Fancy is where it all began for the Quireboys," says the band's frontman Spike. "It was an incredible album that launched our career. However, the way we sound and play now doesn't do it justice. Henceforth, it has been a pleasure updating it to our modern-day Gypsy Rock & Roll Sound. I'm sure everyone will enjoy this new version in all its glory, marking its 30th Anniversary."

THE QUIREBOYS – BIOGRAPHY

The Quireboys have always remained true to their roots from the start. The boy's mission is simply to keep the spirit of good time rock 'n' roll alive and kicking into the 21st century.

The Quireboys are an English hard rock band formed in 1984 in London, with strong ties to Newcastle. When the band formed, they were originally known as The Queerboys and later as the London Quireboys in the United States and Canada, settling at last with their current name.

The band were successful during the late 1980s and early 1990s, with their debut album *A Bit of What You Fancy* reaching No. 2 on the UK charts. Their highest charting single was with the song *Hey You*.

In 1993, the Quireboys broke up but briefly reformed live in 1995 with different members. A more permanent reformation came in 2001 when frontman Spike and guitarist Guy Griffin put together a new line-up.

The band is still active, constantly recording new material and playing live all over the world. Their latest album, *Amazing Disgrace*, was released on 5 April 2019.
